Dealers Auto Auction Group Gives Back

Franklin, TN – Dealers Auto Auction Group has a long history of giving back to the community. Every year DAAG supports many local charities throughout the course of the year. DAA of Huntsville just celebrated its 14th Anniversary sale, with over 1000 units consigned and over 60% sold and raised more than \$15,000 for the Make A Wish Foundation. DAA of Huntsville equally has raised over \$55,000 for the local YMCA and American Cancer Society in 2018.

Giving back is something that is very important to CEO David Andrews. “We are so blessed with being able to be a part of so many amazing organizations. We really believe that supporting these local groups is the right thing to do.”

Roger Fields, General Manager of DAA of Huntsville commented, “It has amazed me what a group of dealers will do on a Tuesday morning at 10:00 am. In addition to opening their wallets with money contributions, these men and women have donated automobiles and numerous other items for our charity auctions.”
