

## **NAAA Mike Browning Auction Employee Relief Fund Program Application for Financial Assistance**

Financial assistance is available from NAAAWYSSF for active employees of NAAA Regular Member auctions in good standing. Employees must have experienced a major financial loss or need financial aid due to a natural disaster (examples are tornadoes, hurricanes, floods, wildfires, earthquakes, etc.) or other catastrophic life events. Common day-to-day living expenditures (vehicle repairs, home maintenance, appliance replacements, tuition, etc.) are not considered catastrophic life events as they are not extraordinary.
